**MEMBERSHIP**

Membership in the PTSA is the foundation for helping to provide the support our students and school needs to create a safe and educational environment. The strength of our organization depends on you — the parents, faculty, students, and business partners who embrace the opportunity to directly impact the lives of everyone at Walker. Every family member is encouraged to join (including grandparents!). In addition, please consider sponsoring a teacher membership or making a tax-deductible donation. **No amount is too small and each additional dollar helps in significant ways.**
